

VIP TRACKDAYS

Flags and what they mean

Track is Hot.
Go!

Caution ahead.

Standing yellow means to proceed with caution at 70%

A waving yellow means to proceed with extreme caution at 40%

Exit Track, Major Caution.

Slow to 20% and exit track as soon as possible.

Return to hot pit and see main flagger.

You may have a mechanical issue or you may have made some kind of mistake that you need to be aware of.

Passing Flag.

Stay in your line and let the person behind you pass.

If you are in group B you must point to which side you want them to pass on.

If you are group C you must wait till you are on the straight and point to which side you want them to pass on.

Session finished.

Cool your car down for the remainder of the lap and exit track.

DO NOT take another lap or speed up.
